2010 Trade Show Registration Form Page 2

Dear WVSHE Participant,

As most of you know, the WVSHE annual meeting is a family event. Each year after the BBQ Dinner and Entertainment, a gift is presented to each of the children in attendance. The WVSHE provides the funding for these gifts. In order to help purchase the appropriate items, please complete this form and return it with your registration. We do not want to forget our vendor's family's children attending the event so if you would also complete this form and return with your registration. Thank you for your cooperation.

Trade Show Frequently Asked Questions

Q. Can I attend the meetings if I buy a table?

A. No. The Trade Show Registration is separate from the Meeting Registration, however if you would like to attend the entire conference we welcome you to register for the education session as well.

Q. Is Electrical Power available for my display?

A. There is a limited amount of 120V Electrical Power available for displays. Please let me know in advance if you need and electrical hook-up and I will try to have one available.

Q. Are the tables reserved?

A. No. Since most vendors fail to register by the established deadline, I have found that we can better accommodate everyone who wants to participate by making table selection first come first serve. If you want a particular table location, come early.

Q. When will the room be available?

A. The room is available See Notice in Registration.

Q. Do I have to provide a door prize?

A. No. Door prizes are strictly optional. If you do want to provide one, we will hold regular drawings throughout the show.

Q. Do I get a banquet ticket with my table registration?

A. Yes. You and a guest are welcome to attend the Wednesday Lunch and entire family for the evening BBQ.

HOUSING REQUEST FORM:

WV SOC HLTHCARE ENG '10

RESERVATION #: ????????

August 3-6th 2010

Lodging reservations must be made directly with Snowshoe Mountain Resort by **June 15, 2010**, by calling **Reservation phone #: 877-441-4386. Deposit requirement will be one night's room rate.**

Lodging Descriptions

Village lodging complexes contain furnished condominium style lodging with kitchens, den areas and a fireplace. All of the lodging complexes shown are located in the Village at Snowshoe, which offers a variety of shopping and dining option... just outside of the entrance to your lodge.

The following unit descriptions are typical of these units, but each unit is privately owned and some of the unit descriptions may vary.

Allegheny Springs Lodge – Platinum rated

Allegheny Springs marks the premier address at Snowshoe Mountain Resort. This unique lodge stands as an imposing anchor of the southern edge of the new Village at Snowshoe. Designed after the fine resort hotels of the nineteenth century that made bathing in thermal and mineral springs fashionable, Allegheny Springs will bring a new standard of service and style to the “Forever Wild” ambiance of Snowshoe Mountain. Allegheny Springs Lodge offers a whirlpool spa, fitness room and outdoor heated swimming pool for their lodge guest.

Unit types:

- *Junior Studios- Queen bed, kitchenette, den/fireplace and queen sofa bed.*
- *Studio- Queen bed, den area with queen sofa bed/fireplace and a full kitchen*
- *One Bedroom- Separate bedroom with queen bed, kitchen, den -containing a queen sofa and fireplace*
- *Two Bedrooms – Two separate bedrooms's each with queen bed, kitchen, den -containing a queen sofa and fireplace. One of the bedrooms contains a private bathroom.*

Seneca Lodge – Platinum rated

Snowshoe's newest Platinum rated lodging anchoring the northern end of Snowshoe Village. This complex along with Allegheny Springs Lodge offers the best lodging facilities in Snowshoe Village. It also features a private garden area and the Hearth Room featuring Internet access and a large screen TV system with satellite service. Seneca Lodge offers a whirlpool spa and fitness room for their lodge guest.

Unit types:

- *Junior Studios- Queen bed, kitchenette, den/fireplace and queen sofa bed.*
- *Studio- Queen bed, den area with queen sofa bed/fireplace and a full kitchen*
- *One Bedroom- Separate bedroom with queen bed, kitchen, den -containing a queen sofa and fireplace*
- *Two Bedrooms – Two separate bedrooms's each with queen bed, kitchen, den -containing a queen sofa and fireplace. One of the bedrooms contains a private bathroom.*

All room rates quoted DO NOT include 6% sales tax and 3% lodging tax.

SENECA	\$118	\$129	\$149	\$199

Rimfire Lodge & Highland House – Gold rated

Both lodges, inspired by the rustic elegance of our “Forever Wild” Resort, are centrally located in the village just a short walk to the conference center. Warm rich mountain furnishings invite you to sit back and relax while the outdoor hot tubs and indoor sauna offer other outlets for unwinding. Each room is equipped with a data port for last minute preparation or important email transactions.

Ideal for the business traveler, the village rooms offer a home away from home with kitchen facilities, daily coffee and Air Conditioning. Experience first hand the comfort and convenience of the new Village at Snowshoe. Rimfire and Highland House Lodge offer whirlpool spas for their lodge guest.

Unit Types -

Rimfire Lodge

- *Junior Studios- Queen Murphy bed, kitchenette, den/fireplace and queen sofa bed.*
- *Studios- Queen bed, kitchenette, den/fireplace and queen sofa bed*

Steam Loss Prevention Return on Investments for 2010

Speaker –Jim Petrides currently serves as the Manager of Energy Consulting Services for IREX Contracting Group, the parent company of Advanced Energy Solutions. Before assuming this position he was the Branch Manager for Advanced Energy Solutions in Indianapolis, Indiana. Jim has a BA in Safety & Health and Education and has extensive experience in working in the demands of hospital environments. He has been helping hospital facilities managers resolve mechanical insulation issues for 30 years. Jim grew up in Columbus, Ohio but spent time with his grandparents in Welch & Coalwood, West Virginia.

2010 AIA Guidelines

Speaker Ode Keil Ode Richard Keil

President – The Ode Keil Consulting Group

Mr. Keil has 30 years of direct experience in the healthcare field of facilities management. Mr. Keil's background includes 7 years of direct experience in the management of healthcare facilities, 13 years as the Director of Plant and Technology Management for the Joint Commission on Accreditation of Healthcare Organizations[®] and 10 years working as a consultant specializing in healthcare facilities management, clinical engineering, life safety, occupational and environmental health & safety, accreditation and regulation.

During his tenure with the Joint Commission, Mr. Keil developed the Plant Technology and Safety Management and Management of the Environment of Care[®] Standards. While at the Joint Commission, Mr. Keil worked on standards development, survey process development, and surveyor education. In addition, he has worked with organizations to develop facilities management, quality management programs, patient safety, and other management programs.

Mr. Keil is recognized as an expert resource and teacher in the areas described by the Environment of Care, Emergency Management and Life Safety Management standards. He regularly serves as a key presenter for regional and national educational programs. He is published regularly in *FacilityCare* and *The Journal of Clinical Engineering*. During his career he has served on committees and boards of many important healthcare organizations including AAMI, NFPA, and ASHE and has served as a member of many government panels and task forces at the state and national level.
